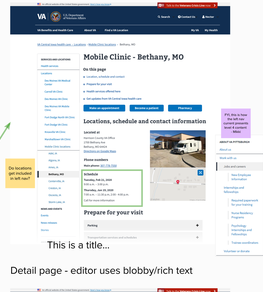
Current intro copy on Des Moines Mobile Clinic page

Our mobile medical unit expands health care services to Veterans living in rural areas. We provide primary care and specialty health services, including cardiology, cancer care (hematology and oncology), mental health care, treatment for lung diseases and disorders (pulmonary medicine), and more. Below, you'll find information about our regularly scheduled stops and the other health services we offer in our Des Moines VA Mobile Clinic.

Editor selects specific dates in Drupal

Editor enters schedule info - as rich text

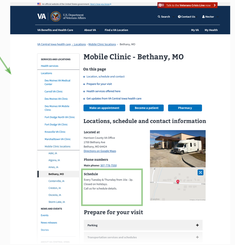
Detail page - editor selects dates in Drupal



Do locations get included in left nav?

This is a title...

Detail page - editor uses blobby/rich text



In this version all "Adjust" are linked on Mobile Clinic locations
